

Hello friends!

We saw many of you at the Spring Creek Canyon walk on Mother's Day and our hike last weekend along Standing Stone Trail. Thanks to everyone who joined us, including our expert hike leaders Terry Melton and George Conrad.

Lots of outdoor fun awaits!

Please see below for all the details for our upcoming adventures at Mount Nittany this weekend, and the Family Fishing Picnic at Tussey Pond on Sunday, June 4. Hike-savvy kids will enjoy the Nittany climb while utilizing fun tools in our Junior Naturalist backpacks!

The Fishing Picnic is 'fintastic' for all ages! All fishing equipment and bait is provided, and Centred Outdoors will guide hikes at 1 and 3 p.m. during the event. Attendees will also enjoy a hot dog picnic lunch and hands-on activities between 1-5 p.m. Please remember your reusable water bottle, sunscreen, and comfortable shoes.

Catch a ride to select Centred Outdoors events this summer!

New in 2023, Centred Outdoors will provide a limited number of van seats to a few of our Event Destinations! This free shuttle service is intended to reduce transportation limitations of any kind for those interested in attending Centred Outdoors events.

Van Service is provided by Cole Transportation, and will begin Wednesday, June 14th to Shaver's Creek.

We look forward to kicking off an awesome summer with you soon!

Jennifer Shuey: Centred Outdoors Artist-in-residence

For fifteen years, Jennifer Shuey led ClearWater Conservancy, and has been an enthusiastic cheerleader and ongoing supporter of the organization's efforts. Her personal artistic journey has led her to becoming an artist-in-residence for the Centred Outdoors season, painting outside in nature at each event!

Follow Jennifer's artistic journey at jennifershueyart.com. You can [join her newsletter](#) to get sneak peeks of the pastel paintings she creates each week.

Thank you, Jen, for making Centred Outdoors even more beautiful and enjoyable by joining the adventure this year!

Join any hike as a Junior or "Senior" Naturalist!

To engage our young hikers, we have put together four backpacks full of tools like magnifying glasses, binoculars, activity sheets, field guides, and a digital camera for any Jr. Naturalist to take along with them on our Sunday and Thursday hikes. Bring the kids out to borrow a pack and discover the natural world!

Do you know something about the location we will be hiking in? Or something about the plants or animals that we may see on the trail? If so, borrow a Sr. Naturalist pin from the welcome tent and put it on your shirt to let our Jr. Naturalist and other participants know they can ask you questions along the way. There is no age or experience requirement to be a Sr. Naturalist! This totally self-elected title simply shows others that you are willing to help them learn about what they may see during the hike.
